

2009 SCCA RallyCross Nat. Challenge Championship
Competitor Bulletin #1

The San Diego Region SCCA will host the Western RallyCross National Challenge Championship event on September 26-27 at Soak City Water Park in Chula Vista, CA. This event follows the Eastern Challenge Championship the weekend prior and will be a show case of the who's who in RallyCross West of the Rockies. The SCCA Nationals will follow in Farmington Colorado two weeks later. This event is open to all competitors with a current SCCA Member card and individuals that complete a temporary SCCA Membership at the event site (\$15). We have some great sponsors coming on board and prize packages for the trophy winners. A state of the art timing and scoring system with a crew to match will keep the quality of this two day competition second to none on a flowing and challenging .7 mile long course.

In the next day or so the Supplementary Rules and Regulations (includes competition schedule) will be found here: <http://www.sdr-scca.com/RallyCross/Schedule/>. There will be a lot more information to come as well as online entry at rallydata.com. Please read all of the information as it becomes available!

Please sign up to the SCCA RallyCross mailing list for important competitor bulletins, future event notifications and updates!!!
